

CLOSE THE LID ON OVERAGE SURCHARGES

Waste haulers apply overage/extra yard surcharges when trash and recycling containers are overfilled. Learn what an overage is and how to avoid it by viewing our container guide below:

BIN BASICS

CONTAINER & WASTE AREA

Lids that are
unable to close

Trash/Recyclables
over the top of
the container

PERFECT!

Trash/Recyclables
on the ground

Other issues:
gate locked,
bin obstructed
by car, etc.

HOW TO PREPARE YOUR CONTAINERS

✓ Break down
ALL cardboard
boxes.

✓ All clean and empty
glass, aluminum, metal
and plastic containers,
paper, and cardboard
go into the **Recycling**
container.

✓ All non-recyclable
and non-hazardous
garbage go into the
Trash container.

✓ *Need more
room?*

Please contact
us to discuss
your options.
